APPROVAL OF STATE ENGINEER
This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:
This permit to change the place and manner of use of the waters of an undergroun source as heretofore granted under Permit 22866, Certificate 6626 is issued subject to the terms and conditions imposed in said Permit 22866, Certificate 6626 and with the understanding that no other rights on the source will be affected by the change propose herein. The well shall be equipped with a 2-inch opening and a measuring device must be installed in the discharge pipeline near the point of diversion and accurate measurement must be kept of water placed to beneficial use. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an are designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times. This permit does not extend the permittee the right of ingress and egress of public, private or corporate lands. The issuance of this permit does not waive the requirements that the permit holde obtain other permits from State, Federal and local agencies. The total combined duty of water under Permits 60059, 60060, 60061, 60062, 60063 60064, 60065 and 60066 shall not exceed 3063.6 acre-feet annually for the irrigation of 765.90 acres within the described place of use.
·
The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to
3.447 cubic feet per second but not to exceed 543.20 acre- feet annually, and not to exceed a yearly duty of 4.0 acre-feet per acre of lan irrigated from any and/or all sources.
Work must be prosecuted with reasonable diligence and be completed on or before
Proof of completion of work shall be filed before
Application of water to beneficial use shall be made on or before August 17, 1999
Proof of the application of water to beneficial use shall be filed on or before
Map in support of proof of beneficial use shall be filed on or before
Completion of work filed. OCT 16 1995 IN TESTIMONY WHEREOF, R. MICHAEL TURNIPSEED, P.E State Engineer of Nevada, have hereunto set my hand and the seal of my
